

Project

Update

CSO SEPARATION AREA 1D3

May 2013

The contractor, Counts & Dobyns, Inc., is completing construction in your neighborhood. The following work activities are planned this month. There will be a final inspection and some activities around the site to finish up. This will be the final newsletter as work activity is expected to be completed this month.

Belmont Street – Demobilization of construction equipment will be followed by paving in May.

Blackford Street – Construction is complete on both sections of Blackford Street.

Byrd Street - Sections of cracked curb will be replaced before final paving and restoration of this area in May.

D Street – Construction is complete.

Fitzhugh Place – Construction is complete; storage continues nearby.

Hemlock Street – Construction is complete.

J Street – Paving will be completed in May.

Jones Street – All Storm and sanitary sewer work is complete. Paving will be completed in May.

Library Street – Construction is complete.

Oakdale Street - Asphalt paving and new curb is to be completed in May.

Rivermont Avenue – Finish paving is complete.

Rodes Street – Construction is complete.

Scott Street – Construction is complete.

Victoria Avenue – Construction continues between Jones Street and Wall Street into May. Major road rebuilding on the 800 and 600 blocks will close those parts of Victoria Avenue before paving is completed in May.

Property owners in this area are encouraged to participate in the City Rainleader Disconnect Program. Call the CSO information line at 485-7246.
